Let's have a Marvelous round of applause for the Marvel softball team, the Punishers, for their triumphant performance this summer! After a spectacular 10-2 season, the Punishers went on to defeat Raven Press in a 2-0 championship series led by coach **Robbie Carosella**, the Punishers truly showed no mercy — just like Frank Castle in pursuit of vengeance.

THE WYRM™

Fangthane Bloodjaw looked out over the factor's grounds at the little pack of Garou who thought they were penetrating the security undetected. He smiled a split-gum grin. Kills-the-Weak placed a hand on Fangthane's shoulder, careful to avoid the cancerous boils there, and tackled maniacally a sthe factor's defense fomor burst from their shallow graves beneath the edge of the reactor and began to bum the Garou with their radioactive, acid touch. Oh, yes. This would be a glorious night for the Wyrms indeed.

Taking evil to all-new heights, the Wyrms features almost 200 new cards for use with RAGE, but with a unique twist. These cards allow you to play Wyrms packs against Gala's packs of Garou. Band together Black Spiral Dancers, Pentex First Teams, Seventh Generation Covens and Banes to crush the pitiful Garou in their fight to save the Earth. Not for babies, whiners or wuss-bags.
